

League Development/League Management Services

CARHA Hockey leverages its resources and experience to offer league development and management services across Canada and would like to explore such opportunity with your community.

With over 40 years in the adult rec hockey market we understand the onus that comes with running a league. With our knowledge and resources we create desirable schedules, establish safe playing environments and address the day to day concerns while creating an atmosphere teams will want to invest in and commit to.

Highlights of what CARHA Hockey can do for you:

- Direct purchase of ice blocks from the City/Arena
- Management of league registration, fee collection and overall budget
- Generate league schedule for both regular and playoff seasons
- Provide \$10 million in Liability Insurance as well as Sport Accident coverage for each player
- Establish and tailor a League Constitution to meet the needs of the league
- Ongoing communication with team reps throughout the season
- Manage and address disciplinary issues and league suspensions
- Provide game sheets,
- Provide divisional championship prizing
